Bristow -

It was attached as a pdf to a previous e-mail. Did that not come through?

Shannon,

I got your voice mail but still have not received the contract and I need to leave for the evening. I'll be on the lookout for the contract in the morning when I get in.

Hi Ladies -

I am currently coordinating signature of the document. I am to hear back once the two copies are signed so I can figure out how we're going to get the Amendment to you. Hand carrying is not an option as Eileen has left for the day already. We will have to rely on fax/FedEx, it seems. MDS is fine with this option and we hope Philip Morris is as well.

Please call if you have questions or concerns. Otherwise I will contact you when we've obtained signature and are ready to send the documents to you.

Regards,
Shannon

Dear Ms. Drury:

Attached in PDF format is the amendment needed to allow for the meeting set for Thursday. Please print off two of this document and have them signed on behalf of MDS and return both of them to me via overnight delivery. If at all possible, can you scan the signed agreement and send it to me as a PDF file? I can get the scanned document signed and fax it back to you. We will then follow up with signatures on the hard copy.
